Special operating conditions or restrictions:

- 1 FAA Interference Condition:
 Upon receipt of notification from the Commission that harmful interference is being caused by the operation of the licensed transmitter, the licensee shall either immediately reduce power to the point of no interference, cease operation, or take such immediate corrective action as is necessary to eliminate the harmful interference. This condition expires after one year of interference-free operation.

- 2 Licensee shall accept such interference as may be imposed by other existing 250 watt Class C stations in the event that they are subsequently authorized to increase power to 1000 watts.
